The last book of the New Testament is one of the most confusing and misunderstood books of the Bible. This is due to the fact that almost everything described in Saint John's vision is symbolic of something else.

Join us for a this study on Revelation and learn the meaning behind the dense symbolism in this book that is at once surprising and illuminating. A five-week study on the "End Times" is included, making this a 25-week study.

Written commentary by Dr. Scott Hahn.
Video lectures by Fr. Matthew Kauth
